

# Attention FDA

0639 '00 APR -6 P1:46

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

No I dont want anyone to force me to have medical or

heardin test. I was Born with Partial hearin. had hearin Aid since 5 year old.

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

No - bad experience - but I would have to drive a long way to hearin Doctor.

with out hearin Aid I would nt be able to work.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

FDA shouldnt take away my right - they dont know the experience of hearin lost.

and to wear hearin aid. Every one is different. I have a right to choose what Best for me. I know my own

4. Should I be allowed to purchase hearing aids by mail as I choose? Badg.

YES! I am happy with Excel Hearin Solution I have tried other Brand and it is Loudly + TOO expensive
